

Frequently Asked Questions

Which USDA commodity BEEF codes do you process?

100154 Frozen and 100155 Fresh*

Which USDA commodity CHEESE codes do you process?

100036 Processed American and 100022 Mozzarella

Do you offer CLEAN label products?

Yes, our Triple B Burgers, Breakfast Sausage Patty and Beef Crumbles are 100% CLEAN label; our Banana Bread is also clean.

Do you offer GLUTEN FREE items?

Our Three Cheese Corn Enchiladas are gluten free, but produced in a plant where gluten is present. All of our "clean" label beef is also GF.

Do you have VEGETARIAN options?

Our Grilled Cheese (Classic, Spicy), Quesadillas, Bean & Cheese Chalupas and Enchiladas all fit this need.

Do you offer Thaw and Serve options?

Our entire Grilled Cheese line, Quesadillas, Banana Bread, Breaded Chicken Sandwiches, and Turkey Ham & Cheese Sandwich on Sweet Hawaiian Bun all fit this need.

Are wrappers oven-able?

Yes, wrap is oven-able and microwave safe (one exception – Banana Bread). Also contains docking (tiny holes) that allows steam to escape.

Are products available both commercially and with commodity processing?

Yes, to allow for seamless transition once pounds are depleted.

Which commodity tracking system do you use?

Processor Link.

What product code is used to ensure commodity drawdown/credit?

Orders placed through distribution:

Cheese as Net Off Invoice – Commercial Code

Cheese as Fee for Service – Commodity Code (starts with a 'C')

Beef as Fee for Service – Commodity Code

Order Direct or via State Contracted Warehouse:

Cheese and Beef are both Fee for Service – Commodity Code

**This code is processed on a case by case basis. Please contact a member of our sales team for additional information*
