

Muffin Flats®

Frequently Asked Questions

Q: HOW DO YOU THAW THE PRODUCT?

1. Remove Product from case. (Failure to remove product from case can cause excess moisture in packaging and longer than normal thaw times).
2. Thaw 2-4 hours at room temperature or until the product is no longer frozen.
3. Serve or hold at room temperature for 5-7 days and serve.
4. Do not Refreeze product after thawing.
5. For full handling instructions please see case label or contact info@globalfoodsolutions.co

Q: WHAT IS THE SHELF LIFE AFTER THAWING?

After product has been removed from the freezer and thawed it is best used within a 5-7 day period. For any questions on product while using please email Info@globalfoodsolutions.co and someone from our team will be in touch to help you.

Q: HOW DO I SERVE THE PRODUCT?

We recommend either thaw and serve of the product or after thaw warming the product slightly in the package prior to service. Do not bake the product in an oven as the film is not designed to withstand such high heat.

Q: WHAT FLAVORS ARE AVAILABLE?

Currently Apple Cinnamon, Blueberry, Corn Bread, Cinnamon Oat, Banana, and Chocolate Chip.

Q: DO YOU HAVE ANY MATERIALS OR PHOTOS TO HELP US MERCHANDISE THE PRODUCT?

Yes, please email Info@globalfoodsolutions.co and someone will be in touch within 24 hours of your request.

Q: CAN YOU PROVIDE US WITH YOUR PRODUCT SPECIFICATION SHEET?

Yes! We would be happy to do so. Please email Info@globalfoodsolutions.co and someone will be in touch within 24 hours of your request.

Q: IS THE PRODUCT GLUTEN FREE?

No, the product is currently made with whole grain flour and is not suitable for people with celiac disease or people who require a gluten free diet.
