

Fueling Student Performance

Gardein™ Plant-Powered Protein

A delicious blend of ancient grains, veggies and non-GMO soy, wheat and canola, Gardein™ delivers real meat taste, texture and nutrition with no cholesterol and less saturated fat than traditional proteins.

Commit to Student Health

Providing delicious Gardein™ plant-based options on your menu helps students live healthier lives. Plus, Gardein™ makes updating menus a snap! Simply substitute Gardein™ products for most traditional proteins in many recipes.

Join the Meatless Monday Movement

Gardein™ Meatless Monday helps schools benefit from the trend toward plant-based dishes. New York City and Los Angeles schools are already enjoying the benefits of Meatless Monday! – don't let your students miss out! Visit www.gardeinmeatlessmonday.com to join in.
