

Explore our Restaurant-Size Recipes

Our top selling Taylor Farms flavors now available to restaurant operators in an **easy & convenient** foodservice format! Includes pre-portioned ingredients ready to be served over hearty, **nutrient-packed** salad bases with custom cut sizes for the ultimate plate coverage and portability. These kits lend themselves to **endless applications** and opportunities for chefs to add their own creativity while maintaining that back of the house look.

The value added salad segment continues to grow with complete kits being the major driver at double-digit growth YOY.
