Bake Crafters is a family owned business with representation in all 50 states.

Since 1989, we have operated with a single aim: providing the baked goods schools want and love.

The logo for Bake Crafters is located in the bottom right corner. It features the brand name "Bake Crafters" in a red, cursive script font, set against a white, torn-edge paper background. Below the name, the text "SINCE 1989" is written in a white, sans-serif font on a small red rectangular background.
